

CLC North KAVA Project Portfolio Review

Upscaling

- AVAR: Added Value Alumina Refining
Coordinator: Martin Fennell, Aughinish Alumina Ltd. (RUSAL), martin.fennell@augh.com
- iRIS: Intelligent risk identification system for safer mines
Coordinator: Mia Kumm, SP/RISE, mia.kumm@sp.se

Networks of Infrastructure / Outreach

- IEDDA: Exploration Drilling and data acquisition
Coordinator: Chris Juhlin, Uppsala University (UU), christopher.juhlin@geo.uu.se
- iMINE: European demonstration and test facilities in mining
Coordinator: Anders OE Johansson, SICS/RISE, anders.oe.johansson@sics.se
- PILOTMET: Pilot plants for extractive metallurgy and mineral processing
Coordinator: Marianne Magnelöv, Swerea MEFOS AB, marianne.magnelov@swerea.se

Internationalisation/Outreach

- ArchHUB: Strengthen synergies in the Arctic region promoting environmentally and socially sustainable extraction of resources
Coordinator: Bo Møller Stensgaard, Geological Survey of Denmark and Greenland (GEUS)
bmst@geus.dk

Learning and Education

- CDIO: Implementation of Conceive Design Implement and Operate (Master Education), Coordinator: Catrin Edelbro, Luleå University of Technology (LTU), catrin.edelbro@ltu.se
- CLEEF: Concept for Lifelong Learning for European Foundry Employees (Lifelong education)
Coordinator: Johan Dahlström, SWECAS AB/RISE, johan.dahlstrom@swerea.se
- LAYTERM: Layman courses for the Transfer of Expertise on Raw Materials (Wider Society Learning)
Coordinator: Jan Rosenkranz, Luleå University of Technology (LTU), jan.rosenkranz@ltu.se
- RACE: RAW Communication & Engagement (Wider Society Learning)
Coordinator: Sarah Hayes, University of Limerick (UL), sarah.hayes@ul.ie
- SAP II: Successful Application of Process Integration in Industry (Lifelong education)
Coordinator: Mikael Larsson, Swerea Mefos AB/RISE, mikael.larsson@swerea.se

Business Creation and Support; Entrepreneurial Support Service

- INCOM: Intrapreneurship in Raw Materials companies Modular and custom-tailored service package for exploring ideas within companies; intrapreneurship
Coordinator: Erik Ronne, SP/RISE, erik.ronne@sp.se
- PEPS: Platform for Entrepreneurship Promotion and Support Mapping, innovation funnel methods,

funding methodology for start-ups and SMEs, strategies for reinforcing Entrepreneurial Support Services across Europe

Coordinator: Pär Johansson, LTU Business AB, par.johansson@ltubusiness.se

- SIMP: Strengthening Incubation Methods and Processes for EIT RM Strengthen capabilities of KIC partners providing superior Entrepreneurial Support Services to their local customers; i.e. start-ups
Coordinator: Katarina Öquist, Arctic Business Incubator AB (ABI), katarina.oquist@abi.se
- SPICAM: Strengthening Pre-Incubation Assessment Methods for EIT RM Strengthen capabilities of KIC partners providing superior Entrepreneurial Support Services to their local customers; i.e. ideas in pre-commercial stages

Coordinator: Kent Mrozek, LTU Business AB, kent.mrozek@ltubusiness.se
